7. HFQLG –HFR project overview/relation to communities Opportunities - Project mapping integration involving US FS, CDF and Fire Safe Council - PNF’s fuel reduction out year program of work - John Gay. – **Nothing new to report**
8. CDF Exemption for Fuelbreaks, HFR & THP extensions – Frank Stewart – **The Board of Forestry was meeting on this day to discuss this issue. If the Board acts today, it could become policy in 3-4 weeks. Mike De Lasaux handed out copies of the “Draft Emergency Exemption”. It appears it will be an emergency exemption for 120 days in hopes that a Senate Bill will make permanent rules for community HFR. It appears the exemption will exempt projects within 500 feet of houses, roads & ridges, from a THP, but require a RPF for the prescription and marking, requires slash cleanup in 45 days. Discussions are continuing with regards to trees size.**
9. Discussion of content of the Plumas County Community Wildland Fire Plan. – Jerry Hurley – **Progress continues, the core planning group has met twice and refined the plan’s outline. Josh Davies has a number of the map layers developed, and information presented today by Wildland Rx will be incorporated. The Core team will be meeting after the regular Council meeting to begin developing mitigation strategies. A presentation of progress was made to the Board of Supervisors on Tuesday, June 8. They expressed full support for our efforts.**
