PRESS RELEASE

Plumas County Fire Safe Council Meeting 5/10/07

The Plumas County Fire Safe Council cordially invites interested citizens to participate in their regularly scheduled monthly meeting. The meeting will be held on Thursday, May 10, 2007 at the Plumas County Planning & Building Services office, from 9:00 to 11:00 AM. The Planning & Building Services office is located at 555 Main Street in Quincy.

At the May meeting, the Council will be discussing: progress on their grants to provide county residents with wildfire education, fire planning and hazardous fuel reduction.

The week of May 6-13 is California wildfire Awareness Week. This year's theme is "Why 100 feet?... Because defensible space is YOUR responsibility." Fire Safe Council members are encouraging Plumas County residents to create their defensible space and make their homes Fire Safe.

The Plumas County Fire Safe Council is a coalition of citizens, businesses and representatives from local, state, and federal government agencies, which share a common interest in preventing loss of life and minimizing loss of property from wildland fires. The mission of the Fire Safe Council is: "To reduce the loss of natural and manmade resources caused by wildfire through pre-fire activities." Everyone in Plumas County is welcome to become a member of the Council.
