

PRESS RELEASE

Plumas County Fire Safe Council Meeting 6/9/11

The Plumas County Fire Safe Council's (PC FSC) regularly scheduled monthly meeting will be held on Thursday June 9, 2011 at the Plumas County Planning & Building Services office, located at 555 Main Street in Quincy, from 9:00 to 11:00 AM.

At the June meeting the Council will be discussing progress towards current wildfire mitigation projects and implementation of the Community Wildfire Protection Plan.

PC FSC will begin featuring a short (7 minute) video on our website on the importance of healthy forests. The video is titled "*Forestry as Global Warming Solution*". According to Brian West, Council Chair, "I hope this video will help you better understand the importance of how healthy, fire resilient forests contribute to global health and safer communities". The video is from the organization Forests for the Next Century,

The Plumas County Fire Safe Council invites residents with an interest in preventing and mitigating impacts from wildland fires, to their homes or communities, to become members. The Council is a coalition of citizens, businesses, fire departments, and representatives of local, state and federal government agencies. The mission of the Council is: "***To reduce the loss of natural and manmade resources caused by wildfire through Firewise Community programs and pre-fire activities.***"

For additional information on Council activities, hazardous fuel reduction projects and defensible space visit our website at www.plumasfiresafe.org.
