

## PRESS RELEASE

### Plumas County Fire Safe Council Meeting 8/13/15

The monthly meeting of the Plumas County Fire Safe Council (PC FSC) will be held on Thursday, August 13<sup>th</sup> from 9:00 to 11:00 AM at the Plumas County Planning & Building Services office located at 555 Main Street in Quincy.

PC FSC members invite you to join them at their monthly meetings to learn more about the Council's diverse efforts to mitigate wildfire damage before fires ignite in the region. The Council works to serve residents and property owners of the area while implementing projects identified within the Plumas County Community Wildfire Protection Plan.

The Council is currently developing projects throughout the American Valley, at C-Road and near the community of Cutler Meadows along the La Porte Road. They are in the planning process for additional projects at Lake Almanor, Mohawk Vista, Greenhorn, and the Indian and Dixie Valleys. They are actively looking for additional community fuel reduction opportunities.

County residents with an interest in preventing and mitigating impacts from wildland fires to their homes or communities are invited to become members. The Council is a coalition of citizens, businesses, fire departments, and representatives of local, state and federal government agencies. The mission of the Council is: ***“To reduce the loss of natural and human made resources caused by wildfire through Firewise Community programs and pre-fire activities.”***

For additional information on Council activities, defensible space or Firewise Communities visit our website at [www.plumasfiresafe.org](http://www.plumasfiresafe.org). The coordinator of the Council can be reached at [nils@deercreekresources.com](mailto:nils@deercreekresources.com).
