Mission Statement: “To reduce the loss of natural and human made resources caused by wildfire through Firewise Community programs and pre-fire activities.”

2020 Goals:
- Implement and amend as necessary the Plumas County Community Wildfire Protection Plan (CWPP);
- Increase public knowledge and awareness of hazards associated with wildland fire and inform the public about efforts that can be made to reduce their vulnerability to wildland fire;
- Increase community-based involvement in fuels reduction and facilitate the development of additional Firewise Communities in Plumas County;
- Identify, develop and implement community hazardous fuel reduction projects;
- Develop a strategy to provide for sustainable and renewable project funding and reduce the Council's dependence on grant funding;
- Support green fuels utilization and community chipping options for all communities in the County;
- Assist local fire departments in meeting their mission and goals.
