NEW BUSINESS

1. PC FSC 2004 Goals – Mike De Lasaux – **Following discussion the PC FSC 2004 Annual Goals are:**
- **Develop and Implement a Countywide Community Wildland Fire Plan with community based planning,**

- **Increase public knowledge and awareness of the wildland fire hazard and efforts they can make to reduce their threat**
 - **Develop more community-based involvement,**
 - **Implement community hazardous fuel reduction projects,**
 - **Continue to pursue grant funds,**
2. **Butte County FSC Defensible Space Model Brochures – David Hawks – David passed around brochures for homeowners that are being developed in Butte County. They are fuel type specific (Grass, Brush & Timber).**
 3. **Plumas County Portion of Butte RU Fire Plan – Jerry Hurley – Jerry asked for guidance on how much more time to spend working on Plumas County’s portion of the Butte RU Fire Plan. David Hawks is asking for more specificity by community. Jerry handed out information obtained, at the Wildland Fire 204 Conference, on Community Wildland Fire Plans. Jerry will begin working on this effort, rather than spend any more time on our County portion of the Butte RU fire Plan.**
 4. **Hazardous Fuel Reduction assistance available – Frank Stewart – Frank discussed the decline in federal funding assistance to treat hazardous fuels around communities. He pointed out that Colorado gets three times what California gets and asked that the Council send a letter to the House Resource Committee addressing the issue. John Sheehan cautions against lobbying with regards to our 501 c.3. status. Mike and John volunteered to develop an educational & informational letter addressing the issue of declining funds while there is an increase in public awareness and interest in treating fuels, the cost and difficulty in obtaining funds.**

Meeting Concluded at 1200PM
